About the Public Works Department

City of Fairfield Public Works employees include those who maintain, operate, and manage the water treatment and distribution systems, sewer collection systems, storm drainage systems, public transportation, public buildings, parks and landscaping, streets, traffic control devices, and the City fleet. In addition, they oversee the preparation of all private and public development plans, and are responsible for reviewing new construction and public improvements within the city of Fairfield. The Public Works Department is committed to planning, designing, building, operating, and maintaining infrastructure and facilities that will stand the test of time. To learn more about the projects and services provided by the Public Works Department, please refer to the City of Fairfield's website www.fairfield.ca.gov.
